VINEYARD

## 2017 'HOME BLOCK' PINOT NOIR

This is our fourth release of our "Home Block" Pinot Noir, a 'reserve' Pinot made entirely from our first plantings on our Porongurup vineyard, 30kms east of Mt Barker and 40kms north of Albany in the cool, Great Southern region of Western Australia.

### Colour:

Medium depth, a slightly bricky coloured red.

### Aroma:

Beautifully perfumed with sweet, smoky aromas, some light cherry characters and strawberry notes. The French oak has contributed to the sweet, smoky characters and the light 'pancetta' aromas.

### Palate:

Our 2017 is deceptively delicate for being in the riper spectrum and is quite complex for such a young wine. It is not overtly fruity; it has a cohesive palate with some gentle, smoky fruit flavours. This Pinot Noir is classically 'Porongurup' with its fineness and delicacy; it has texture and palate weight rather than simple fruit flavours. The gentle acid profile and light tannin structure provide great length of flavour and will ensure this wine continues to develop with further cellaring.

### Cellaring:

Deceptively drinkable now (pair it with your favourite duck dish) we're very confident our Home Block will continue to improve with many more years in the bottle, eg 6 - 8 years or so.

Production limited to 93 dozen/186 x 6 packs.

Bottled 5th July 2018

pH = 3.64

TA = 6.4 g/L

Alc = 14.5%

For release Nov 2018
